Competitor's I/D :

File names should start with the Subject number, followed by a dash and then your own Competitors Identification letter e.g. **01-A.jpg**

This is a fun competition but we do have some rules!

- Images must be taken as JPGs in camera
- Images to be taken at the **Ploughing Match & Show** between 11:30 and 14:30 on Saturday 18th September 2021
- No post processing except cropping/straightening
- 7 of the 10 subjects to be chosen and submitted
- Please submit your entries by PDI in the usual way using the format max 1920 w x 1200 h by **Monday 18th October**
- The images will be pre-judged and the results announced at the club meeting /social on **Monday 20th December**

The "lucky" winner will organise and judge next year's photohunt (with assistance if required)

Creative in-camera ideas

Move your Camera – panning, rotate, throw your camera (do hold on to your strap!)
Zoom while shooting (slower shutter required)
Creative Focusing - shoot through things, shallow DoF
Shoot from your hip/ground/up in the air / looking down
In-camera multiple exposure
Experiment with your White balance
Use your camera's Art Modes / HDR
Play with your flash – slow sync flash?
ICM – Intentional camera movement
