◆ OUTING

Bring Uncle Tom

I hope you are having an enjoyable summer and taking some good photos for next season. Firstly I would like to confirm the date and venue for the Summer Outing which will be at the Weald and Downland Open Air Museum at Singleton on **25th July, 1993** and it is a "special" day featuring Rare and Traditional Breeds.

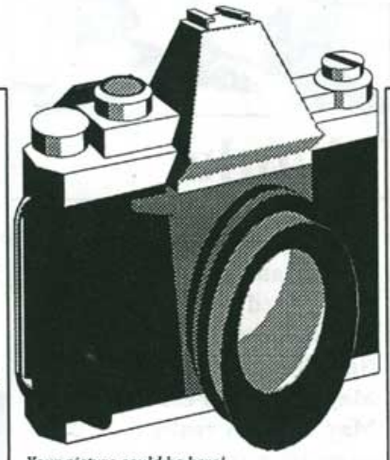

If our Party exceeds 15 people we should be able to get discounted entry fees of £3.50 for Adults, £3.00 for Senior Citizens and £1.00 for Children.

Obviously we would like as many people as possible to attend so feel free to bring along any friends, children, Uncle Tom Cobley, etc.

The Museum in it's own right is very interesting with many reconstructed old dwellings and histories of leadwork, building, working water mill, charcoal making, etc.

After our visit to the Museum I hope to be able to arrange a reasonably priced meal at an ex-Steyning resident's pub, The Horse and Groom at Singleton. He has agreed to supply his special Pizzas (all named after famous Race Horses because of the close proximity of the Goodwood Race Course) with salads and if the evening is suitable we should be able to eat outside in the garden.

Your picture could be here!

We will need to know in advance roughly how many will be attending the Outing and who will be requiring the meal or snack afterwards, so could you **please let Cliff know before the 10th July (tel: 812579).**

Lifts can almost certainly be arranged and we will meet at the Car Park by the New Steyning Centre at 10am on Sunday, 25th July. Don't forget to bring a picnic lunch.

Wildlife

Mrs Vanda Williamson has forwarded details of events being organised by the Sussex Wildlife Trust, Chanctonbury Group.

The first slide show/talk will be at the Village Hall, Upper Beeding on Thursday 23rd September 1993 at 7.30pm and will be about "Verge Flowers" by Matthew Thomas. There is no official entrance charge but a donation of £1 or so would be most appreciated to cover the expenses. Everybody is welcome and more details are available from the Library, Community Centre and various shops in Steyning. Leaflets and details will also be posted on the Club Notice Board at our meetings.

◆ COMPETITIONS

Get Shooting

The Club programme for 1993/94 should be available by the end of July and will be delivered to you as soon as possible. A list of subjects for the next season's set competitions (which should help and inspire you!) is as follows:-

13th OCTOBER 1993 - **"Sussex"** - any Sussex scenes, landscapes, etc. Judge: Chester Fromm

10th NOVEMBER 1993 - **"Little and Large"** - the Comedians (if you can find them), big dogs/little dogs, skyscrapers/tents, fat man/thin man, - there must be plenty of variations for this one - entertain our judge, Graham Devenish ARPS from Brighton.

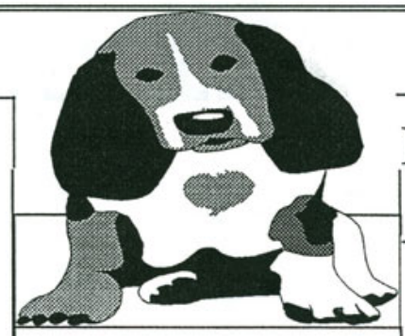

15th DECEMBER 1993 - **"Portraits"** - a favourite relation, your cat/dog/goldfish, wasp's/insect's head, even your teddy bear! Judge - Tony Barnes ARPS, AFIBP

19th JANUARY 1994 - **"Recession"** - this might be the shrinking Pound and it's effects or disappearing mountains, hills, etc. in the mist. Any original ideas will be interesting.

16th FEBRUARY 1994 - **"Contrast"** - highlights and shadows, colour, character, old bus/new bus. Get your thinking caps on and try something original. How about trying some black and white slide materials as our Judge for this evening is the black and white ace printer Chris Peet FRPS from Southwick.

16th MARCH 1994 - **"Patterns"** - another subject open to all sorts of interpretations - grasses, butterfly wings, frost on windows or cars, dress material, regular/irregular, rain on glass, etc. Judge will be Don Mitchell from Bognor so perhaps surprise the experimental colour man with some dramatic colour.

I'm sure the judges will be giving extra marks for original ideas. I hope the above suggestions might help and that you enjoy taking the photos.

Thanks

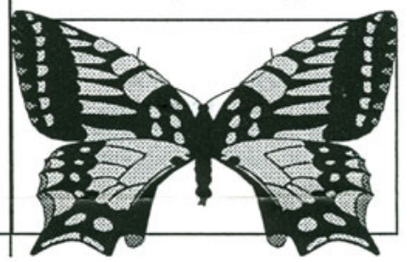

A big thank you to everybody who loaned prints and helped at our Photo Exhibition at the New Steyning Centre at the May Fair and Fete on 31st May 1993. A really impressive selection of prints, 78 I believe, was on display and many local people admired them.

NEWS

Happy Birthday!

It is the **Club's 25th Anniversary** this year and on the 29th September 1993 we will be having a special celebration evening with cine films and slides from earlier/founder members being shown. We are hoping many of the founder members and previous club members will also be able to attend.

Light refreshments and wine will be consumed during the evening.

WANTED - alive.

If you have any items or comments of interest to other club members please let Jim or me have the details.
This is our first attempt. It will get better and we would like to have your views.
Look forward to seeing you all in September - have a "clicking" good summer.
